WHAT IS THE SUSTAINABILITY CHARTER?
- The University of Melbourne is developing a Sustainability Charter.
- The Sustainability Charter will be a framework for embedding environmental and social sustainability across all facets of University work.
- The Charter will articulate a set of high-level principles and commitments that will be translated into priority actions through the Sustainability Plan.

BE PART OF THE CONSULTATION
- October - an initial draft Charter will be published on sustainabledcampus.unimelb.edu.au for consultation to the end of December.
- October - Monday 19th 12-2pm - the Sustainable Campus team and Sustainability Executive members will be on the South Lawn seeking your consultation.
- November - the University will hold a forum for a discussion on the Charter.

- December - the University will host a BBQ to provide another opportunity for consultation on the Charter.
Throughout this period you can email your thoughts to sustainability-charter@unimelb.edu.au
